PROFESSIONAL EXPERIENCE

IIIT-VADODARA HACKATHON WINNERS; Gujarat, India (IN)   *February 2024*

- Me along with my team mates secured the first position in the annual hackathon conducted by the Indian Institute of Information Technology – Vadodara (Web Development track)
    - Played a major role in the design aspect of the project, thereby gaining a valuable amount of experience in web design, wire framing and Tailwind CSS
    - Got the opportunity to contribute a respectable amount towards the frontend of the projects as well thereby enhancing my hands on knowledge in React.JS
    - Project link : https://github.com/SteakFisher/Scriptr

PROJECT CONTRIBUTIION– IIIT-VADODARA; Gujarat, India (IN)   *November 2023*

- Assisted a fellow batch mate by designing the login page for the project.
- Tools used : Tailwind CSS, React.JS
- Project link : https://github.com/abhiiii05/googleCal

REVAMPING SCHOOL WEBSITE (in development); Sharjah, United Arab Emirates (UAE)   *June 2024*

- Analyzed my school website and figured out that it had bugs regarding redirection and major design changes that could help improve the user experience.
- Currently under development. Landing page completed, backend and database to be implemented.
